The wear and tear of mind, the ossification of the beart, and the drying up of all those foun tains of bappiness that make life tolerable, which are the ordinary results of large wealth, renders the unfortunate owner unhappy in life and fearful of death. He cannot be happy nor can be crawl through the eye of a needle or get into heaven.

THE MOTEMENT IN CALIFORNIA .- We observe of California are rapidly filling up, and that he got a hint to leave, which he took instanter. her for each crossing the Atlantic, to and from the movement in that direction is quite remarkable. Thus the Nevada Journal says that the stages to that city are constantly crow.led. The Folsom Dispatch also says : There were men, some nights last week. wandering through town, unable to find spare beds in hotels, and our four principal provision merchants tell us that they are days be-

hind in delivering goods to their neighbors by their job wagous. The Placerville Democrat cave : For years our city has not presented such a

bustling appearance as it does at present, and it promises to continue for months. We are on the high road to presperity. ET Our street crossings are fo a bad condition, and loudly call for reform. What has

become of the stone crossings agitated some

time ago in the city Council ?

Chihuahua and Sonora.

Recently the public eye has been turned with much interest to the northern portion of had the pleasure of hearing Mr. Davis lecture Mexico. The President proposes to appoint a It was a pleasure, because it revived in our Protectorate for those States along the Mexi- regollection, the hypothesis of the developcan border, and as Chibuahua and Sonora em ment of the vegetable and snimal king brace more than half of it, we propose to give which we have often examined in every book such a succinct history of those two as we can we have ever read on that subject. It was an gather from recent writings descriptive of this entertaining, but certainly not an original lee

## The Wife.

6 WOOL .....

On earth, to man there is but one His heart can love-his soul can own; Though myrade flit before his view, There is but one to wh m he's true-That one can away him to and fro. Can make him drain the cup of woes Can give him joy or blast his life. And that one's name is simply wife.

But in that name a world is aphered, A world by all beloved, reverel. Who have the sease to know its worth. And spurn the gandy joys of oursh. For that full heart in her dear broast-If rightly prized-eternal rest, Is not with blissful sweets more rife, Than that pure heart -- x loving wife

bringing her work with her.

The Indianapolis Sentinel says that on Monday afternoon a motion was made and argued before Judge Perkins of the Supreme Court, for the discharge of Philip ted before the Mayor of the city of New Albany upon a charge of selling liquors at retail without license, in violation of the city ordinance, and committed to prison, The proceedings were taken to test the validity of the ordinance upon ite merits. The Court held that the ordinance was authorized by the 13th specification of the 35th section of the City Charter of 1857, and was not in conflict with any constitutional provisions, and

ding the sale of lipuors without license. To rue Pourt .- A special notice to the following effect is posted up near Crawford, Alas "Te the hunters
